

2012 / 2013 VARDA Membership Form

A membership to VARDA is a great way to support our association and allows the individual member to vote on matters at hand at the VARDA General Meetings, which are held throughout the year.

A membership is \$30.00 and includes a membership to the Association of British Columbia Snowmobile Clubs, which supports many clubs in BC and also provides you with exceptional benefits on optional insurance. It also puts you on the list to receive VARDA updates via our membership email list. In addition to this, members receive many exceptional benefits at businesses throughout Valemount.

A copy of your ABC membership along with a listing of all the businesses offering incentives for VARDA membership will be mailed along to you shortly.
