

To Whom It May Concern:

As you may already know Snowandmud.com is putting on their 4th annual "ATV Jamboree" July 8 – 10, 2011. This event has grown year over year selling out the entire campground in just over a week. Every year we anticipate more participation from our members for our annual ride, and evening events. Our event brings people together from all over Western Canada, from as far away as North Battleford, Saskatchewan, to Ft McMurray, Alberta we also have people attend from Eastern BC. These people all gather to enjoy a weekend of ATVing, and camaraderie.

Snowandmud.com is one of the fastest growing sites in its category, and has recently been recognized by the CCSO for "Outstanding Snowmobile Related Business". We can also boast about being the most diversified outdoor motor sports site to view on the internet with having sections for snowmobilers, quadders, dirt bikers and even boating related activities. The site was started in October of 2006 and has had an impressive growth to almost 28,000 members. Although we are based in Western Canada we have members from all over the world.

At this event we strive to have prizes for many different categories, including but not limited to, oldest rider, youngest rider, furthest traveled, best-stuck etc. We also have prizes for best hands and door prizes. Without support from vendors we wouldn't be able to have these items. We accept pretty well anything for prizes.

The prize that you donate will have your company or personal name attached to it and will be recognized by the folks receiving the prizes. As well you will receive a public thank you on our forums.

Please feel free to contact me for any further information.
