

To Whom It May Concern:

As you may already know Snowandmud.com is putting on their 3rd annual "ATV Jamboree" July 9 – 11, 2010. This event has grown year over year selling out the entire campground in just over a week. Every year we anticipate more participation from our members for our annual ride, and evening events. Our event brings people together from all over Western Canada, from as far away as North Battleford, Saskatchewan, to Ft McMurray, Alberta we also have people attend from Eastern BC. These people all gather to enjoy a weekend of ATVing, and camaraderie.

Snowandmud.com is one of the fastest growing sites in its category. We can also boast about being the most diversified outdoor motor sports site to view on the internet with having sections for snowmobilers, quadders, dirt bikers and even boating related activities. The site was started in October of 2006 and has had an impressive growth to 20,000 members. Although we are based in Western Canada we have members from all over the world.

This year we are looking for sponsorship from vendors in the following areas:
